

Parli Debate Prep Drills

Partner if possible, time yourself to spend 7 minutes predicting likely impacts on each side of the following motions:

	Standard	AFF Impacts	NEG Impacts	Unique Impacts
North Korea should be viewed as a greater threat to U.S. national security than Russia				
Public schools should significantly reduce their use of standardized testing				
JSFG should increase the federal minimum wage to \$15 per hour				
JSFG should phase out the production of gasoline powered cars				
JSFG should adopt a policy of universal background checks for all firearms				
JSFG should take the lead role in building a human colony on the moon				
The death penalty is unjust				
Significant restrictions should be placed on use of smart phones by people under the age of 18				
Lotteries should be abolished				
JSFG should significantly increase taxes on the wealthy
